2. Other: Outside of reflecting internally on what I could have done better to grasp the content, I was a bit disappointed in two elements: 1. the course was advertised as David Marx being 1 of the instructors - I did not learn until late, he was not. 2. As an HRO course, it felt a bit disjointed & somewhat unreliable with technical challenges & the content did not flow. ER happen with families - & perhaps a Plan B? Non-the-less, i appreciate the content & am already using it - I am disappointed in myself for not having passed my test - alas will try again! thanks Look forward to another course.
