2. Other: This was the 2nd time I had sat this course, and thought about it alot as I had a concern it may have been a repeat. The interesting thing for me was that other than a Dr from Auckland hospital, the rest of the cohort were AirNZ and their candour was most valued. David M had the opportunity to explore tangents more readily that the larger group dynamic and this was the true value for me. Very much appreciated the opportunity to build on my previous knowledge and the JC suite we have taken into my workplace.
