3. Highly Reliable Outcomes

Was your participation recommended by your organization or did you pursue the training course on your own interest?

1. My organization recommended it.

How did you first learn of the course?

4. Referred by my organization.

Would you recommend this course to a colleague?

3. Maybe

Are you able to apply the skills you learned in your training in your working environment?

2. No

Did the advisor who facilitated your course seem knowledgeable around the topic?

1. Definitely

Did the advisor who facilitated your course present the information in a understandable and useful way?

2. Most of the time

This is the last step to complete this survey. - Please provide any feedback that we can consider to improve the quality of our training and services. If you have no feedback please enter NONE in the field below and click the arrow to the right and wait a second for the survey to complete.

2. Other: The majority of the given within the text and during the practice sessions were aircraft-related. It would have been much more beneficial and more easily relateable to have healthcare-related examples when instructing a group of healthcare organizations. We were also given incorrect information about the exam. We were told it would be 50 questions and the exam could be re-taken any number of times needed to pass. This information was not correct.
